Letters Will Be Mailed Regarding Some 1095B Forms

The Office of Health Benefits has discovered an error on the 1095B forms recently mailed to employees and former employees. Letters will be mailed to the affected recipients explaining the error, and where needed, a corrected form will be issued by the March 2 deadline.

Copies of the letters are attached for your reference. We expect the letters to be mailed the week of February 12.

We apologize for the error and any inconvenience it may have caused.

Please remind your employees and former employees that it is not necessary to include the 1095 form when filing their tax return. Here is the updated IRS link:
