### New TLC Program Manager!

As many of you know, Walt Norman, who has been the TLC Program Manager for over 18 years, has retired. While we will all miss Walt, we are excited to announce that Ann Wohl has accepted this position. Most of you have had the opportunity to meet Ann since she became the first TLC-dedicated Senior Specialist in 2016. Ann brings her TLC knowledge, along with many years of other health plan experience, to her new position.

Please join DHRM in congratulating Ann and welcoming her in her new role. Ann will maintain her current telephone number and email address:
