Mailing of IRS 1095 Forms to Health Plan Participants

IRS 1095 forms for 2018 required under the Affordable Care Act (ACA) were mailed to health plan participants on January 31, 2019. If you are notified by an employee that their 1095 form is not received by the middle of February, please contact tlc@dhrm.virginia.gov for a duplicate form.

The U.S. Postal Service will send returned 1095 forms to the mailing house for the Department of Human Resource Management (DHRM) Office of Health Benefits, and they will be forwarded to the appropriate group Benefits Administrator. It is the responsibility of the Benefits Administrator to forward the returned forms to the intended recipient whenever possible. Returned 1095 forms that cannot be forwarded should be sent unopened to DHRM at the Office of Health Benefits, 101 N. 14th Street, 13th Floor, Richmond, VA 23219.

Forms sent to DHRM should be packaged securely to ensure confidentiality of HIPAA-protected information. The BES-ACA-Reconciliation Report-04n-01112019.csv is now in your HuRMan folder. It reflects changes submitted in December and printed on the 1095s. If a correction is required, please contact tlc@dhrm.virginia.gov immediately.
