### **Save These Dates!**

It's time once again to start thinking about health benefits renewals for 2014-15. The Local Choice (TLC) will again bring its Road show to locations across the Commonwealth to provide information on the upcoming plan year. **The dates this year are March 11-31**. See the attached meeting schedule. Directions and other details will be coming soon!

### **The Local Choice Enhances Plan Website for Easier Navigation**

TLC groups, their employees, retirees and family members in TLC self-funded plans now have an easier way to find important health benefits information. Updates to [www.anthem.com/tlc](http://www.anthem.com/tlc), which is dedicated to TLC members, are designed to provide better navigation to locate health plan benefits, health and wellness information and the most commonly used resources and tools. You'll also find quick links to personal information like claims and a temporary ID card, the Employee Assistance Program, the Blue Card Program, CommonHealth, and much more.
