

Dental/Vision Plan Offered With Advantage 65

Effective July 1, 2014 or October 1, 2014

Your group may choose to offer the Dental/Vision plan with the Advantage 65 plan. For a complete description of the benefits and exclusions, please see the Medicare Coordinating Plans Member Handbook and Dental/Vision Benefits insert.

How The Plan Works

Dental Benefits

Administered by Delta Dental of Virginia

The plan pays up to \$1,500 per member per calendar year. It also pays 100% of the allowable charge for diagnostic and preventive services, such as oral examinations and dental x-rays. It pays 80% of the allowable charge for basic services, such as fillings, re-cementing of crowns, inlays and bridges, or repair of removable dentures. The remaining 20% is your responsibility. The plan also pays 5% for major services such as crowns, bridges, dentures and implants.

When you need services, simply present your plan identification card to your dentist. If you go to a Delta Dental network dentist, you will be responsible only for your coinsurance. If services are provided by a non-network dentist, you pay your coinsurance, plus the difference, if any, between the plan's allowable charge for a covered service and the dentist's charge. Network dentists are listed on the Web at www.deltadentalva.com, or call Delta Dental of Virginia at **1-888-335-8296** to determine if a dentist is in the network.

Routine Vision Benefits

Administered by Anthem Blue Cross and Blue Shield

Your routine vision benefits are now through the Anthem Blue View Vision network. Available once every 12 months, your vision benefits include a routine eye exam, eyewear and special eye accessory discounts. The 12-month count begins on the day you receive your eye examination or purchase eyeglass frames or lenses. You may receive services from any ophthalmologist, optometrist, optician and/or retail location in the Anthem Blue View Vision network.

To locate an Anthem Blue View Vision provider, select Find A Doctor at www.anthem.com/tlc, or contact Member Services at **800-552-2682** for assistance. To receive vision services, simply present your Anthem identification card to your Blue View Vision provider when you receive your eye exam or purchase covered eyewear. Your Blue View Vision provider will verify eligibility and file your claims.

While some vision benefits are also covered out-of-network, you will receive the most value when you choose a Blue View Vision provider. If you use an out-of-network provider, your benefits will be covered at a lower payment level. You will need to pay for covered services and purchases at the time of your visit and send an out-of-network claim form to Blue View Vision. The claim form is available at anthem.com/tlc under Forms.

Certain non-routine vision care such as eye surgery may be covered under your primary medical coverage under your Medicare plan. Refer to your Medicare and You Handbook or contact Medicare for more information.
