6. Does this group have a plan document with stricter rules for enrollment or election changes than the TLC rules? Yes No

8. Check 'yes or 'no' for each plan choice. If 'yes' is selected, check a plan and enter the premium totals from the renewal sheet and the employer and enrollee contribution amounts for each tier.

- Groups with 25 or fewer eligible employees may offer only one plan. Groups with 26 to 100 eligible employees may offer two plans. Groups with more than 100 eligible employees may offer two Key Advantage plans and a High Deductible Plan and/or Kaiser if available. Groups offering a Key Advantage Plan choice or a High Deductible Plan choice must offer both the Preventive Option and the Comprehensive Option. Groups offering coverage to Medicare Retirees may choose one Medicare plan.
- Employer contributions for each plan offered must meet or exceed the minimum employer funding requirements which are based on the total participation percentage from #4 and the plan(s) offered. When two or more plans are offered, premium averaging may be used. Premium averaging is based on the un-weighted average of the plans offered excluding the High Deductible Plan which is calculated separately. A Medicare plan offering is not subject to minimum employer requirements. Minimum Employer Contribution Requirements:
  - All Key Advantage Plans, the High Deductible Plan with employer HSA/HRA funding, or the Kaiser HMO:
    Full-time: 80% of the Self Only Comprehensive Premium plus 20% of the Comprehensive dependent cost; when participation percentage (from #4) is 75% or more, the dependent contribution requirement is waived.
    Part-time: 50% of the full-time employer amount for each tier.
  - High Deductible Plan without employer HSA/HRA funding:
    Full-time: 80% of the Self Only Comprehensive Premium plus 20% of the Comprehensive dependent cost regardless of participation percentage (from #4)
    Part-time: 50% of the full-time employer amount for each tier.
