The TLC Key Advantage Member Handbook and this Key Advantage 500 Benefits Summary constitute a complete description of the benefits, exclusions, limitations, and reductions under the plan.

An electronic version of the handbook is available online at **thelocalchoice.virginia.gov** and at **anthem.com/tlc**.

## **Plan Year**

Your benefits are administered on a plan year basis which is July 1 through June 30, or October 1 through September 30, depending upon your renewal date.

## Who Is Eligible

- Active Employees and their Dependents
- If offered, Retirees not eligible for Medicare and their Dependents not eligible for Medicare, and/or
- Dependents of Medicare eligible Retirees who are not Medicare eligible.

**NOTE:** Medicare eligible retirees and the Medicare eligible dependents of any retiree (Medicare eligible or otherwise), may not enroll in Key Advantage 500.

What's in Your Key Advantage 500 Plan?

### Your plan includes:

- Medical, Behavioral Health, Employee Assistance Program (EAP), and Prescription Drug benefits administered by Anthem Blue Cross and Blue Shield
- Preventive and Comprehensive dental benefits administered by Delta Dental
- Specialist visits with no referrals
- In-network coverage through the Anthem PPO network in Virginia, and the BlueCard<sup>®</sup> PPO and Blue Cross Blue Shield Global Core Programs for care outside Virginia

## **Out-of-Pocket Expense Limit**

**In Network: \$4,000** for one person, **\$8,000** for two or more persons, each plan year.

**Out of Network: \$7,000** for one person, **\$14,000** for two or more persons, each plan year.

There are separate out-of-pocket expense limits for in- and out-of-network services. Your medical and behavioral health deductible, and copayments/coinsurance for **medical**, **behavioral health and prescription drugs** all count toward the limit. Once you reach the limit, you pay \$0 for covered in-network medical and behavioral health services, and covered prescription drugs for the remainder of the plan year.

These expenses do not count toward the limit:

- Amounts above the allowable charge or plan limits
- Services and supplies not covered by your plan
- Copayments, coinsurance and deductibles for routine vision benefits (exception: routine eye exam for members through the end of the month they turn 19 years old) and dental services
- Additional amount non-network providers may bill you when their charge is more than the plan's allowable charges

<sup>1</sup>Declining Balance. Your plan has a declining balance allowance. This means if you do not use your allowance all at once, the remainder will be available for you to use at a later time. However, any remaining balance will not carry over to the next benefit year. All services or supplies using the declining balance for a benefit period must be received In-Network based on where the first paid claim is incurred.

<sup>2</sup> Elective contact lenses are typically elected in lieu of eyeglass lenses. Non-Elective contact lenses are medically necessary contacts when glasses are not an option for vision.

Many of your medical and behavioral health services require a copayment. Some services require 20% coinsurance after meeting a deductible. See the Key Advantage 500 Benefits at a Glance for the details.

## Care When Traveling – <a>out of state or worldwide</a>

## BlueCard<sup>®</sup> PPO Program for care in the U.S.

What happens if you're traveling or living outside Virginia and you need care? You have access to care across the country through the **BlueCard® PPO Program**. This includes a large number of providers and hospitals nationwide. When you see a BlueCard program doctor or hospital you pay only your usual plan deductible, copayment or coinsurance, and the provider files your claim for you. If you go to a doctor or hospital outside the program, you'll need to pay the entire bill up front and file your own claim.

Always show your Anthem ID card when you receive services. The "PPO-in-a-suitcase" symbol shows you can get care from BlueCard PPO Program providers.

## Looking for a BlueCard PPO Program doctor or hospital?

- 1. Go to **bcbs.com** and select **Find a Doctor**.
- 2. Log in to the **Sydney Health mobile app** and select *Find Care*.
- 3. Call Anthem Member Services at **1-800-552-2682** for help.

### Blue Cross Blue Shield Global Core Program for care outside the U.S.

- Go to bcbsglobalcore.com and register
   or login. You can also download the Blue Cross Blue Shield
   Global Core app to search for a doctor or hospital.
  - Need help finding a doctor or hospital, or have questions about getting care abroad? Call the Blue Cross Blue Shield Global Core Service Center at **1-800-810-2583 (BLUE)** or call collect at **1-804-673-1177**. A service representative will help you set up a doctor visit or hospital stay. An assistance coordinator, together with a medical professional, will arrange a doctor's appointment or hospital stay, if needed.
  - Contact the Blue Cross Blue Shield Global Core service center if admitted to the hospital, and call the Anthem Member Services number shown on your ID card for precertification.
  - You will need to pay up front for care, then fill out a Blue Cross Blue Shield Global Core claim form. Send the form and the bill(s) to the address on the form. Download the claim form from bcbsglobalcore.com and enter the three-digit alpha prefix found on your ID card. Or call Blue Cross Blue Shield Global Core at 1-800-810-2583 (BLUE) to request the form.

### **Good to Know**

**Medical transport** from another country to the United States (known as medical repatriation) is not covered under your plan. You may want to purchase travel insurance to cover that for you.

Enter **Commonwealth of Virginia** as company name and select *The Local Choice* 

Your prescription drug benefits are through Anthem Pharmacy, delivered by CarelonRx. It is a **mandatory generic** program which means if you or your doctor requests a brand name drug when a generic is available, you will pay for the brand copayment plus the difference between the allowable charge for the generic and the brand name drug.

## **Drug Tiers**

Your pharmacy benefit categorizes covered drugs into four tiers, and each tier has a specific copayment. Periodically a drug may move from one tier to another.

Tier 1	Generic drugs
Tier 2	Lower cost preferred brand name drugs
Tier 3	Higher cost non-preferred brand name drugs
Tier 4	High cost Specialty drugs

See page 4 for co-pay amounts.

## Q. Can I get a 90-day supply of my drug at a network retail pharmacy?

Yes. You'll pay three one month copayments for the drug. Keep in mind that you pay **only two copayments for a 90-day supply** when you use the home delivery pharmacy.

### Q. Can I get a brand name drug instead of a generic?

You have a mandatory generic drug program. However, if there is no generic equivalent for the drug, you may get the brand and pay only the applicable copayment. If there is a generic equivalent available, you may opt to use the brand, but you'll pay the brand copayment plus the difference between the brand and generic allowable charge.

### Q. What if I need more than a 34-day supply because I'm travelling out of the country and won't have access to a participating pharmacy?

You can submit the Prescription Drug Refill Exception Request form to the Department of Human Resource Management (DHRM). It's available at anthem.com/tlc under Forms.

### **Retail Pharmacy**

Get up to a 34-day supply of covered drugs at a network retail pharmacy. You can also get up to a three month supply of the drug by paying three one month copayments at the time of purchase.

Your retail pharmacy network has more than 67,000 pharmacies across the country – including most chains and some local, independent pharmacies. To check if your pharmacy is in the network, simply ask your pharmacist, go to **anthem.com**, or call us at **1-833-267-3108**.

When you use a network pharmacy, you pay only the applicable cost. If you choose an out-of-network pharmacy, you'll need to pay the total cost of the drug when you pick it up, and then file a Prescription Drug Claim Form to get reimbursed for the applicable benefit. You may be responsible for the difference between the pharmacy's charge and the plan's allowable charge for the drug.

## **Home Delivery Pharmacy**

This is a convenient, cost-saving way to get up to a 90-day supply of medications you take on a regular basis. You pay two copayments for a three-month supply of drugs, and the medication is delivered right to your home.

**By phone:** Call **1-833-267-3108**. A representative will help you with your order. Have your prescription, doctor's name, phone number, drug name and strength, and credit card handy when you call.

**Online:** Login to **anthem.com** and select Pharmacy under My Plans to request a new prescription or refill a current prescription. Use your online Pharmacy tools to set up automatic refills, compare drug costs, and get details about medications.

You pay only two one month copayments for a threemonth supply of drugs when you use the Home Delivery

service, and the medication is

delivered right to your home.

## **Specialty Pharmacy**

### **Specialty Home Delivery**

Your pharmacy program includes access to home delivery of specialty drugs. Specialty medications include biopharmaceutical and injectable drugs.

Contact **1-833-267-3108** to begin using the Specialty Home Delivery service. Provide your doctor's name and phone number, and we'll do all the rest.

### **Specialty Retail**

You can also obtain your specialty drugs from a participating retail pharmacy for up to a 34-day supply, or pay three copayments for a three month supply.

## **Prior Authorization**

### (required for some prescriptions)

Most prescriptions are filled right away when you take them to the pharmacy. However, some drugs need to be reviewed before they are covered. This process is called Prior Authorization. It focuses on drugs that may have:

- A risk of side effects or harmful effects when taken with other drugs
- The potential for incorrect use or abuse
- Options that cost you less and may work better
- Rules for use with certain health conditions

If Prior Authorization is needed, your doctor must submit the request. A decision whether the drug will be covered is usually made within 24-48 hours from the time of the request.

Need help? Call Anthem Pharmacy at **1-833-267-3108**. Available 24/7/365.

## **Managing Prescription Drug Costs**

- **Dose Optimization** typically means increasing the drug dose or amount so that you only have to take it once a day.
- **Quantity Limits** ensure a drug is prescribed according to Federal Drug Administration (FDA) and industry standards.
- **Step Therapy** is used for certain drugs to help you and your doctor choose the drug that's right for you by trying certain drugs first in a step-by-step process.

For more details, see the **Prescription Drug Plan** brochure or your plan Member Handbook at **anthem.com/tlc**.

## Routine Vision Benefits

Your routine vision benefits are available from Blue View Vision<sup>™</sup> once every plan year. You may have your eye exam and purchase lenses and frames from any Blue View participating optician, optometrist or retail setting, including 1-800 CONTACTS, LensCrafters<sup>®</sup>, and Target<sup>®</sup> Optical. You may also use your in-network benefits to order eyewear online at **Glasses.com** and **ContactsDirect.com**. You receive your eye exam, eyeglass frames or lenses from a non-Blue View provider, the non-Blue View network benefits will apply. Please see page 6 for more details on your routine vision benefits..

## Go to <u>anthem.com/tlc</u> and click on Find Care to find a Blue View provider near you.

Note: If you need medical, non-routine treatment for your eyes, consult your physician or an Anthem PPO network eye specialist.

You have two choices for your dental benefits. The Comprehensive dental option includes Preventive, Primary, Major, and Orthodontic dental services. The Preventive option is available for a lower premium but only includes the twice per plan year routine oral exam, cleaning, x-rays, sealants, and fluoride for children. You indicate your dental option when you make your enrollment selection.

To reduce your out-of-pocket expense, choose a Delta Dental network dentist. View the Delta PPO and Premier networks of dentists at **deltadentalva.com**. Claims will be handled by the

dentist's office and you will be responsible only for the dental deductible and coinsurance that applies to the covered care you receive. If you go to a non-network dentist, you pay the dental deductible and coinsurance plus any amount above the allowable charge that the dentist may bill you.

When you anticipate dental charges over \$250, have your Delta Dental dentist file a pre-determination (pre-treatment) estimate.
