Part III: Employee Information

- Provide appropriate answers related to designated worker’s active employment. Be sure to provide both medical and prescription drug entries for Key Advantage, TLC HDHP and Kaiser Permanente HMO members (Beginning in 2005-06).

Part IV: Certification

- Provide requested information

The Office of Health Benefits and The Local Choice anticipate that you will begin experiencing a reduction in the number of Data Match requests as the year progresses since we have entered into a Voluntary Data Sharing Agreement with the Centers for Medicare and Medicaid Services and will be communicating with that agency quarterly to exchange eligibility information.
