Have health questions?

Easy access to health information is
just a phone call away!

Health concerns don't follow a 9 to 5 weekday schedule. Sometimes you need answers to your health questions right away — and that can be the middle of the night or while you're away on vacation. That's why the **24|7 NurseLine** is there for you and your family 24 hours a day, seven days a week.

Call toll-free at **1-800-337-4770** and **Press 1** to speak to a registered nurse for assistance about a health situation or just to hear a reassuring voice. Isn't it nice to know you can get accurate, confidential answers to your health questions right away?

Or is there a sensitive topic you'd like to know more about? That's no problem. If you prefer, you can call and listen to recorded messages about hundreds of health-related topics in English and Spanish by accessing the **AudioHealth Library**. Turn the page for more details.
