New TLC Program Manager Named

We are pleased to announce that Michelle "Shelley" Rozzell has been promoted to State Health Benefits Program Manager for The Local Choice (TLC) Program. Shelley most recently served as Senior TLC Health Benefits Plans Specialist after working as a Senior State Health Benefits Plans Specialist for five years. In addition to the State Health Benefits Program, her experience encompasses positions at General Electric, the Medical Society of Virginia and Anthem.

Shelley will officially begin her new position on July 10. Please join us in congratulating Shelley and wishing her the best of luck in her new role.
