TLC July Renewals

The Virginia Department of Human Resource Management (DHRM) and The Local Choice Health Benefits Program (TLC) are keenly aware of the high priority that TLC groups place on planning and budgeting for health benefits and the tight deadlines that local jurisdictions face. The Local Choice is in the process of procuring an administrative services contract for medical, prescription drug, and behavioral health benefits including the employee assistance program. The procurement process enables TLC to offer its groups the best and most competitive benefits available.

As a result of that process, July renewals will be delivered slightly later than normal. You can expect the July renewals to be delivered no later than **Monday, March 3, 2025**.

TLC continues to be an excellent choice for you and your employees, and we value the opportunity to serve you. Thank you for your patience and understanding.
