**NOTE:** Medicare eligible retirees and the Medicare eligible dependents of any retiree (Medicare eligible or otherwise), may not enroll in Key Advantage With Expanded Benefits.

## **HOW THE PLAN WORKS**

## YOUR MEDICAL AND BEHAVIORAL HEALTH NETWORKS

#### In-Network Care

Your networks are the Anthem PPO network in Virginia and the BlueCard® PPO and BlueCard Worldwide® networks outside Virginia. Referrals for care are not required.

For the most current list of Anthem PPO network providers go to **www.anthem.com/tlc** and click on Find a Doctor.

## **Out-of-Network Care**

You may receive care outside these networks. However, you have a separate plan year out-of-network deductible and out-of-pocket expense limit. Once you have met the out-of-network deductible, you pay 30% coinsurance for all covered medical and behavioral health services. Claims payments are made directly to the member, rather than to the provider. See page 2 for more information about how your out-of-pocket expense limit works both in and out of the network.

## Care When Traveling

If you live or travel outside of Virginia, you will receive the highest level of medical benefits when you receive care from a BlueCard® PPO provider in that area. Providers who participate with other Blue Cross Blue Shield companies will accept your copayment or coinsurance at the time of service instead of requiring full payment. These providers or facilities will file claims directly to their local Blue Cross Blue Shield company for you, and have agreed to accept the

allowable charge established with their local Blue Cross Blue Shield company as payment in full for their services.

BlueCard Worldwide® gives you access to doctors and hospitals for medical care in more than 200 countries and territories around the world.

Call **1-800-810-BLUE (2583)** to locate a BlueCard PPO or BlueCard Worldwide provider. Be sure to present your TLC/Anthem identification card when you receive care outside Virginia. The suitcase emblem at the top of your card indicates that your plan includes the BlueCard program.

## Medical Benefits

Medical care is provided by primary care physicians (general or family practitioner, internist or pediatrician), specialty care providers and facilities. Referrals are not needed. Higher copayments apply for specialist and facility visits.

### Behavioral Health and EAP Benefits

Anthem behavioral health associates are available to assist you in locating a behavioral health provider in your network. You also may locate a behavioral health network provider on the Web at

www.anthem.com/tlc, and click on Find a Doctor.

You are encouraged to have all behavioral health services pre-authorized by calling **1-855-223-9277** before receiving care, or within 48 hours of an emergency admission.

Anthem Behavioral Healthcare case managers certify the appropriate levels of mental health and substance abuse care based on your diagnosis and medical necessity criteria.

The EAP provides up to four counseling sessions per incident free of charge to you and your household members. Contact Anthem EAP toll-free at **1-855-223-9277** for more information.

## Medical and Behavioral Health Out-of-Pocket Expense Limit

There are separate medical and behavioral health out-of pocket expense limits for in-network and out-of-network services. There is no out-of-pocket expense limit for routine vision, prescription drug or dental services.

#### In-Network Services

- If you are the only one covered by the plan, the most you will pay out of your pocket is \$1,000 per plan year for covered services. Once you have reached this amount, your payment for covered in-network services is \$0.
- If two or more people are covered by the plan, the most all of you will pay out of your pocket is \$2,000. However, no family member will pay more than \$1,000 toward the limit. Then your payments for covered in-network services are \$0.

## **Out-of-Network Services**

- If you are the only one covered by the plan, the most you will pay out of your pocket is \$2,000 per plan year for covered services. Once you have reached this amount, your payment for covered services is \$0. However, out-of-network providers may bill you for amounts above the plan's allowable charge, and payment is your responsibility.
- If two or more people are covered by the plan, the most all of you will pay out of your pocket is \$4,000. However, no family member will pay more than \$2,000 toward the limit. Then your payments for covered services are \$0. However, out-of-network providers may bill you for amounts above the plan's allowable charge, and payment is your responsibility.

The following do not count toward the out-of pocket expense limit, and you are responsible for paying these costs when the out-of-pocket expense limit has been reached:

- Routine vision, prescription drug and dental services
- Cost of care in excess of benefit limits
- Cost of services and supplies not covered under the plan
- Additional amount non-network providers may bill you when their charge is more than the plan's allowable charge

### PRESCRIPTION DRUGS

### Drug List

Our drug list (sometimes called a formulary) is a list of prescription drugs covered by your plan. It's made up of hundreds of brand and generic drugs. We

research drugs and select ones that are safe, work well and offer the best value. That's because we think it's important to cover drugs that help people stay healthy so they can work, go to school, and continue the activities of a busy life.

Sometimes we update the Drug List if new drugs come to market, or if new research becomes available. To view the current list, visit **anthem.com/tlc**. If you don't have access to a computer, you can check the status of a drug by calling Customer Service at the phone number on your plan ID card.

Your program is a **mandatory generic** outpatient prescription drug program. If a generic equivalent exists for a brand name drug, you have two choices. You may request the generic and pay only the copayment. Or you or your physician may request a brand name drug and you will be responsible for the following:

- At a participating pharmacy you will be responsible for the applicable copayment plus the difference between the allowable charge for the generic equivalent and the brand name drug.
- At a non-participating pharmacy you pay the total price for the drug and then file a Prescription Drug Claim Form. Reimbursement is limited to the allowable charge for the generic drug minus your copayment.

## Retail Pharmacy

Our network includes more than 56,000 pharmacies across the country. To make sure your pharmacy is in our network visit **anthem.com/tlc** or call Member Services.

**Some drugs require Prior Authorization before they are dispensed.** Your physician, pharmacist, or Member Services can tell you if a drug requires prior authorization.

### Home Delivery Pharmacy

Your benefit includes access to a home delivery pharmacy, through Express Scripts. This is a convenient, cost-effective way to obtain up to a 90-day supply of medications you take routinely (such as medication for high blood pressure or high cholesterol). Your medications are delivered directly to your home.

#### Getting started with home delivery

Home Delivery forms are available at <a href="www.anthem.com/tlc">www.anthem.com/tlc</a>.

Mail your completed form, your prescription from your doctor for a 90 day supply, and payments to:

Home Delivery Pharmacy PO Box 66558 St. Louis MO 63166-6558

Your order should arrive within 14 days from the date your order is received.

## Specialty Pharmacy

Your Anthem benefit includes access to Accredo, a pharmacy dedicated to providing members with specialty medications. Specialty medications include biopharmaceutical and injectable drugs. But beyond simply dispensing drugs, Accredo is a complete support program with clinicians and personal care coordinators to help all our members taking specialty drugs achieve the best possible outcomes from their treatments.

You can begin using Accredo with one easy call to **1-877-886-1705**. You will provide Accredo with your doctor's name and phone number, and they'll do all the rest. From that point forward, you will receive all your specialty medications from Accredo. You will also be paired with a personal care coordinator who will help provide any support you need throughout your treatment.

## ROUTINE VISION BENEFITS

Your routine vision benefits are available from Blue View Vision<sup>SM</sup> once every 12 months. The 12-month count begins on the date you receive your eye examination or purchase eyeglass frames or lenses.

You may have your eye exam and purchase lenses and frames from any Blue View participating optician, optometrist or retail setting, including LensCrafters®, Target® Optical, Sears Optical<sup>SM</sup>, JCPenney® Optical, and Pearle Vision®. If you receive your eye exam, eyeglass frames or lenses from a non-Blue View provider, the non-Blue View network benefits will apply. Please see page 8 for more details on your routine vision benefits.

## Go to <u>www.anthem.com/tlc</u> and click on Find a Doctor to find a Blue View provider near you.

Note: If you need medical, non-routine treatment for your eyes, consult your physician or an Anthem PPO network eye specialist.

#### DENTAL

#### (administered by Delta Dental)

To reduce your out-of-pocket expense, choose a Delta Dental network dentist.

View the Delta Premier network of dentists at <a href="https://www.deltadentalva.com">www.deltadentalva.com</a>. Claims will be

handled by the dentist's office and you will be responsible only for the dental deductible and coinsurance that applies to the covered care you receive. If you go to a non-network dentist, you pay the dental deductible and coinsurance plus any amount above the allowable charge that the dentist may bill you.

When you anticipate dental charges over \$250, have your Delta Dental dentist file a pre-determination (pre-treatment) estimate.

## APPROVAL OF CARE AT A GLANCE

It's important to review and understand the rules shown below. Following them will help you use your benefits to your best advantage and minimize your out-of-pocket medical expenses.

TYPE OF SERVICE	BEFORE YOU RECEIVE CARE
LIFE-THREATENING EMERGENCY CARE (Such as heart attack, hemorrhaging, poisoning, loss of consciousness, convulsions, multiple or compound fractures)	You must obtain Hospital Admission Review if admitted. Call Anthem Blue Cross and Blue Shield: <b>1-800-533-1120</b>
MEDICAL INPATIENT HOSPITAL CARE	All hospital admissions must be coordinated by your physician and reviewed and approved in advance by Anthem. Before a hospital admission, you, your physician, a family member, or friend must call Anthem Blue Cross and Blue Shield: <b>1-800-533-1120</b> .
	However, if your physician does not make the call, it is your responsibility to make the call. The call must be made within 48 hours of an admission for a life-threatening emergency.
MEDICAL SERVICES THAT REQUIRE MEDICAL NECESSITY REVIEW	To determine if a service requires medical necessity review, contact your physician or Anthem Member Services. This process is also called pre-authorization. You could be responsible for the full cost of a service that requires medical review if it is not authorized in advance.
PRESCRIPTION DRUGS THAT REQUIRE PRIOR AUTHORIZATION	Your physician, pharmacist, or a Member Services representative can tell you if a drug requires prior authorization. Your physician may request approval for drugs that require prior authorization from Anthem on your behalf.
BEHAVIORAL HEALTH CARE PRE-AUTHORIZATION AND HOSPITAL ADMISSION REVIEW	You are encouraged to have all other behavioral health services pre-authorized by calling Anthem Behavioral Healthcare toll-free at <b>1-855-223-9277</b> before receiving care, or within 48 hours of an emergency admission. Anthem Behavioral Healthcare case managers certify the appropriate levels of mental health and substance abuse care based on your diagnosis and Behavioral Health Medical Necessity Criteria.

<sup>&</sup>lt;sup>1</sup> Elective contact lenses are typically elected in lieu of eyeglass lenses. Non-Elective contact lenses are medically necessary contacts when glasses are not an option for vision correction, such as after cataract surgery.
