## HOW THE PLAN WORKS

- Your Kaiser Permanente physician provides or arranges all services.
- Specialty care is provided on a referral basis by a MAPMG physician.
- Members make appointments directly with the Kaiser Permanente medical center by calling:  
Metropolitan Washington, D.C. **(703) 359-7878**  
Outside Washington Area **1-800-777-7904**  
If you are registered on kp.org, you are able to make or cancel appointments.  
EAP Services through Beacon Health Options **(866) 517-7042**

- Outside the service area, coverage is available for emergency services and urgent care situations only, unless you are in another Kaiser Permanente service area.

**You pay the total cost for care not provided by or arranged by your primary care physician** with the exception of services for a life-threatening emergency, such as heart attacks, poisoning, or convulsions, and out-of-area urgent care.
