## What's in Your Key Advantage 1000 Plan?

### Your plan includes:

- Medical, Behavioral Health, Employee Assistance Program (EAP), and Prescription Drug benefits administered by Anthem Blue Cross and Blue Shield
- Preventive and Comprehensive dental benefits administered by Delta Dental
- Specialist visits with no referrals
- In-network coverage through the Anthem PPO network in Virginia, and the BlueCard® PPO and Blue Cross Blue Shield Global Core Programs for care outside Virginia

### Out-of-Pocket Expense Limit

**In Network: \$5,000** for one person, **\$10,000** for two or more persons, each plan year.

**Out of Network: \$9,000** for one person, **\$18,000** for two or more persons, each plan year.

There are separate out-of-pocket expense limits for in- and out-of-network services. Your medical and behavioral health deductible, and copayments/coinsurance for **medical, behavioral health and prescription drugs** all count toward the limit. Once you reach the limit, you pay \$0 for covered in-network medical and behavioral health services, and covered prescription drugs for the remainder of the plan year.

These expenses do not count toward the limit:

- Amounts above the allowable charge or plan limits
- Services and supplies not covered by your plan
- Copayments, coinsurance and deductibles for routine vision benefits (exception: routine eye exam for members through the end of the month they turn 19 years old) and dental services
- Additional amount non-network providers may bill you when their charge is more than the plan's allowable charges

## Medical and Behavioral Health

Many of your medical and behavioral health services require 20% coinsurance after meeting a deductible. See the Key Advantage 1000 Benefits Benefits at a Glance for the details .

### Medical providers include:

- Primary care physicians who are general or family practitioners, internists and pediatricians
- Specialists such as endocrinologists or cardiologists (No Referral Needed)

### Behavioral health providers include:

- Clinical social workers, professional counselors, clinical nurse specialists, and marriage/family therapists
- Psychologists
- Psychiatrists

To avoid higher out-of-pocket costs, always check to be sure a provider is in the network. Simply ask the provider, call Anthem Health Guide, or use Find A Doctor at [anthem.com/tlc](https://www.anthem.com/tlc).

## Care When Traveling – out of state or worldwide

### BlueCard® PPO Program for care in the U.S.

What happens if you're traveling or living outside Virginia and you need care? You have access to care across the country through the **BlueCard® PPO Program**. This includes **95% of doctors and 96% of hospitals in the U.S.** When you see a BlueCard program doctor or hospital you pay only your usual plan deductible, copayment or coinsurance, and the provider files your claim for you. If you go to a doctor or hospital outside the program, you'll need to pay the entire bill up front and file your own claim.

Always show your Anthem ID card when you receive services. The "PPO-in-a-suitcase" symbol shows you can get care from BlueCard PPO Program providers.

### Looking for a BlueCard PPO Program provider?

Go to [bcbs.com](https://www.bcbs.com), and select **Find a Doctor** to search for a BlueCard PPO doctor or hospital. Or call Anthem Member Services at **1-800-552-2682** for help.

## Blue Cross Blue Shield Global Core Program for care outside the U.S.

If you're outside the U.S. and need care:

- Go to [bcbsglobalcore.com](https://www.bcbsglobalcore.com) and register or login. You can also download the **Blue Cross Blue Shield Global Core app** to search for a doctor or hospital.
- Need help finding a doctor or hospital, or have questions about getting care abroad? Call the Blue Cross Blue Shield Global Core Service Center at **1-800-810-2583 (BLUE)** or call collect at **1-804-673-1177**. A service representative will help you set up a doctor visit or hospital stay. An assistance coordinator, together with a medical professional, will arrange a doctor's appointment or hospital stay, if needed.
- Contact the Blue Cross Blue Shield Global Core service center if admitted to the hospital, and call the Anthem Member Services number shown on your ID card for precertification.
- You will need to pay up front for care, then fill out a Blue Cross Blue Shield Global Core claim form. Send the form and the bill(s) to the address on the form. Download the claim form from [bcbsglobalcore.com](https://www.bcbsglobalcore.com) and enter the three-digit alpha prefix found on your ID card. Or call Blue Cross Blue Shield Global Core at **1-800-810-2583 (BLUE)** to request the form.

## Good to Know

**Medical transport** from another country to the United States (known as medical repatriation) is not covered under your plan. You may want to purchase travel insurance to cover that for you.

## LiveHealthOnline.com

LiveHealth Online lets you have a face-to-face doctor visit from your mobile device or computer with a webcam. Go to [livehealthonline.com](https://livehealthonline.com) or download the app so you'll be ready whenever you need these LiveHealth Online services. Your cost share will mirror your cost share for similar in-person services:

- o **LiveHealth Online Medical** – Use your smartphone, tablet or computer to see a board-certified doctor in minutes, any time, day or night. It's a fast, easy way to get care for common medical conditions like the flu, colds, allergies, pink eye, sinus infections, and more.
- o **LiveHealth Online Psychology** – Use your device to make an appointment to see a therapist or psychologist online.
- o **LiveHealth Online Psychiatry** – Unlike therapists who provide counseling support, psychiatrists can also provide medication management. Use your device to set up a visit online.
- o **LiveHealth Online EAP** – You can access your free EAP counseling sessions from your device. Contact your EAP to learn more.

## Employee Assistance Program (EAP)

Your EAP gives you, your covered dependents and members of your household **up to four free confidential counseling sessions per issue** each plan year.

Turn to your EAP for information and resources about:

- o Emotional well-being
- o Addiction and recovery
- o Work and career
- o Childcare and parenting
- o Helping aging parents
- o Financial issues  
(including free credit monitoring and identity theft recovery)
- o Legal concerns

**Learn all about your EAP services and resources. Call 1-855-223-9277 or visit online at [anthemEAP.com](https://anthemEAP.com).**

Enter **Commonwealth of Virginia** as company name and select The Local Choice

# Prescription Drugs

Your prescription drug benefit is a **mandatory generic** program. This means if you or your doctor requests a brand name drug when a generic is available, you will pay for the brand copayment plus the difference between the allowable charge for the generic and the brand name drug.

## Drug Tiers

Your pharmacy benefit categorizes covered drugs into four tiers, and each tier has a specific copayment. Periodically a drug may move from one tier to another.

<b>Tier 1</b>	Generic drugs
<b>Tier 2</b>	Lower cost preferred brand name drugs
<b>Tier 3</b>	Higher cost non-preferred brand name drugs
<b>Tier 4</b>	High cost Specialty brand name drugs

See page 4 for co-pay amounts.

### Q. Can I get a 90-day supply of my drug at a network retail pharmacy?

Yes. You'll pay three one month copayments for the drug. Keep in mind that you pay **only two copayments for a 90-day supply** when you use the home delivery pharmacy.

### Q. Can I get a brand name drug instead of a generic?

You have a mandatory generic drug program. However, if there is no generic equivalent for the drug, you may get the brand and pay only the applicable copayment. If there is a generic equivalent available, you may opt to use the brand, but you'll pay the brand copayment plus the difference between the brand and generic allowable charge.

### Q. What if I need more than a 34-day supply because I'm travelling out of the country and won't have access to a participating pharmacy?

You can submit the Prescription Drug Refill Exception Request form to the Department of Human Resource Management (DHRM). It's available at [anthem.com/tlc](https://www.anthem.com/tlc) under Forms.

## Retail Pharmacy

Get up to a 34-day supply of covered drugs at a network retail pharmacy. You can also get a three month supply of the drug by paying three one month copayments at the time of purchase.

Your retail pharmacy network has more than 64,000 pharmacies across the country – including most chains and some local, independent pharmacies. To check if your pharmacy is in the network, simply ask your pharmacist, go to [anthem.com](https://www.anthem.com), or call us at **1-833-267-3108**.

When you use a network pharmacy, you pay only the applicable cost. If you choose an out-of-network pharmacy, you'll need to pay the total cost of the drug when you pick it up, and then file a Prescription Drug Claim Form to get reimbursed for the applicable benefit. You may be responsible for the difference between the pharmacy's charge and the plan's allowable charge for the drug.

## Home Delivery Pharmacy

Switching to home delivery is simple. You can place your first order by phone or online at [anthem.com](https://www.anthem.com).

**By phone:** Call **1-833-236-6196**. A representative will help you with your order. Have your prescription, doctor's name, phone number, drug name and strength, and credit card handy when you call.

**Online:** Login to [anthem.com](https://www.anthem.com) and select Pharmacy Resources under the Pharmacy tab to request a new prescription or refill a current prescription. Use your online Pharmacy tools to set up automatic refills, compare drug costs, and get details about medications.

You pay **only two copayments for a three-month supply** of drugs when you use the Home Delivery service, and the medication is delivered right to your home.

## Specialty Pharmacy

### Specialty Home Delivery

Your pharmacy program includes access to home delivery of specialty drugs. Specialty medications include biopharmaceutical and injectable drugs.

Contact **1-833-255-0645** to begin using the Specialty Home Delivery service. Provide your doctor's name and phone number, and we'll do all the rest.

### Specialty Retail

You can also obtain your specialty drugs from a participating retail pharmacy for up to a 34-day supply, or pay three copayments for a three month supply.

## GenericSelect Program

Save money with GenericSelect. If you are taking a brand name drug that has a generic therapeutic alternative, you may receive a mailing about an opportunity to switch to the lower cost generic drug. If you make the switch, you will pay zero copayment for the first GenericSelect prescription. Subsequent refills will cost you only the lower tier generic copayment.

## Prior Authorization

### (required for some prescriptions)

Most prescriptions are filled right away when you take them to the pharmacy. However, some drugs need to be reviewed before they are covered. This process is called Prior Authorization. It focuses on drugs that may have:

- A risk of side effects or harmful effects when taken with other drugs
- The potential for incorrect use or abuse
- Options that cost you less and may work better
- Rules for use with certain health conditions

If Prior Authorization is needed, your doctor must submit the request. A decision whether the drug will be covered is usually made within 24-48 hours from the time of the request.

## Managing Prescription Drug Costs

- **Dose Optimization** typically means increasing the drug dose or amount so that you only have to take it once a day.
- **Quantity Limits** ensure a drug is prescribed according to Federal Drug Administration (FDA) and industry standards.
- **Step Therapy** is used for certain drugs to help you and your doctor choose the drug that's right for you by trying certain drugs first in a step-by-step process.

For more details, see the **Prescription Drug Plan Overview** brochure or your plan Member Handbook at [anthem.com/tlc](http://anthem.com/tlc).

## Routine Vision Benefits

Your routine vision benefits are available from Blue View Vision<sup>SM</sup> once every plan year. You may have your eye exam and purchase lenses and frames from any Blue View participating optician, optometrist or retail setting, including 1-800 CONTACTS, LensCrafters®, Target® Optical, Sears Optical™, and JCPenney® Optical. If you receive your eye exam, eyeglass frames or lenses from a non-Blue View provider, the non-Blue View network benefits will apply. Please see page 6 for more details on your routine vision benefits.

**Go to [anthem.com/tlc](http://anthem.com/tlc) and click on Find a Doctor to find a Blue View provider near you.**

Note: If you need medical, non-routine treatment for your eyes, consult your physician or an Anthem PPO network eye specialist.

## Dental

(administered by Delta Dental)

You have two choices for your dental benefits. The Comprehensive dental option includes Preventive, Primary, Major, and Orthodontic dental services. The Preventive option is available for a lower premium but only includes the twice per plan year routine oral exam, cleaning, x-rays, sealants, and fluoride for children. You indicate which dental option you want using a TLC enrollment form.

To reduce your out-of-pocket expense, choose a Delta Dental network dentist. View the Delta PPO and Premier networks of dentists at [deltadentalva.com](http://deltadentalva.com). Claims will be handled by the

dentist's office and you will be responsible only for the dental deductible and coinsurance that applies to the covered care you receive. If you go to a non-network dentist, you pay the dental deductible and coinsurance plus any amount above the allowable charge that the dentist may bill you.

When you anticipate dental charges over \$250, have your Delta Dental dentist file a pre-determination (pre-treatment) estimate.

Get the details at [deltadentalva.com](http://deltadentalva.com). Click on **The Local Choice** from the home page.

## It's important we treat you fairly

We follow federal civil rights laws in our health programs and activities. By calling Member Services, our members can get free in-language support, and free aids and services if you have a disability. We don't discriminate, exclude people, or treat them differently on the basis of race, color, national origin, sex, age or disability. For people whose primary language isn't English, we offer free language assistance services through interpreters and other written languages. Interested in these services? Call the Member Services number on your ID card for help (TTY/TDD: 711). If you think we failed in any of these areas, you can mail a complaint to: Compliance Coordinator, P.O.
