

Your Advantage 65 Benefits

Health Benefits Plan Administered by
Anthem Blue Cross and Blue Shield

Effective January 1, 2021 - December 31, 2021

The Local Choice is a unique health benefits program managed by the Commonwealth of Virginia Department of Human Resource Management (DHRM). The Advantage 65 plan may be offered to you if you are eligible for Medicare and to your Medicare-eligible family members by your group. Benefits are administered on a calendar year basis to coincide with your Medicare coverage. Changes in your monthly premium are effective July 1 (or October 1 for certain school groups) to coincide with your former employer's The Local Choice (TLC) health plan renewal.

The Advantage 65 plan provides medical benefits that work with Medicare Part A and Part B. **It does not provide prescription drug coverage.**

This guide is only an overview. For a complete description of the benefits, exclusions, limitations, and reductions, please see the TLC Medicare Coordinating Plans Member Handbook.

Service Area

Wherever retirees live.

How The Plan Works

To receive full benefits you must be enrolled under both Part A and Part B of Medicare. Always show both your Medicare card and your Anthem identification card when you receive care.

Advantage 65 covers the Medicare Part A hospital deductible (after you pay \$100) and copayment amounts, and the Part B coinsurance for Medicare-approved charges. It also covers out-of-country Major Medical services.

Choose Health Care Providers Carefully

Physicians

Ask your doctor if he or she is a Medicare participating physician. A doctor who participates in Medicare agrees to:

- File claims on your behalf
- Accept Medicare's payment for covered services

This means your coinsurance is limited to a percentage of the Medicare-approved charge. Go to [Medicare.gov](https://www.medicare.gov) for additional information about Medicare-participating physicians.

This brochure describes benefits based on Medicare-approved charges. Doctors who do not accept assignments may not charge you any more than 15% above what Medicare considers a reasonable fee. This applies to all doctors and all services.

Hospitals

Hospitals that participate in the Medicare program are covered. Admissions not approved by Medicare are not covered.

***Allowable Charge (AC)** – The term has two meanings, depending on whether the service is provided by a doctor (or other health care professional) or a hospital. For care by a doctor or other health care professional, the allowable charge is the lesser amount of your plan's allowance for that service, or the provider's charge for that service. For hospital services, the allowable charge is the amount of the negotiated compensation to the facility for the covered service or the facility's charge for that service, whichever is less. For complete information about the allowable charge, please see the Medicare Coordinating Plans Member Handbook.

Options For Prescription Drug Coverage— Medicare Part D

If you want prescription drug coverage, you must enroll in a separate Medicare Part D prescription drug plan.

Several Medicare Part D plan options are being offered. To determine what drug coverage option best meets your needs, consult the Medicare and You Handbook, call **1-800-MEDICARE (1-800-633-4227)** or visit the Medicare Web site at www.medicare.gov.
