

Your Medicare Complementary Benefits

Medical, Dental and Vision administered by
Anthem Blue Cross and Blue Shield

Effective January 1, 2021 - December 31, 2021

The Local Choice is a unique health benefits program managed by the Commonwealth of Virginia Department of Human Resource Management (DHRM). The Medicare Complementary plan may be offered to you if you are eligible for Medicare and to your Medicare-eligible family members by your group. Benefits are administered on a calendar year basis to coincide with your Medicare coverage. Changes in your monthly premium are effective July 1 (or October 1 for certain school groups) to coincide with your former employer's The Local Choice (TLC) health plan renewal.

The Medicare Complementary plan provides medical benefits that work with Medicare Part A and Part B. In addition, the plan offers benefits for services not covered by the government program, including vision and dental. It does not provide prescription drug coverage. **This guide is only an overview. For a complete description of the benefits, exclusions, limitations, and reductions, please see the TLC Medicare Coordinating Plans Member Handbook.**

Service Area

Wherever retirees live.

How The Plan Works

To receive full benefits you must be enrolled under both Part A and Part B of Medicare. Always show both your Medicare card and your Anthem Blue Cross and Blue Shield identification card when you receive care.

Choose Health Care Providers Carefully

Physicians

Ask your doctor if he or she is a Medicare participating physician. Your benefits cover the patient's share of Part B expenses after you pay the first \$1,000 of expenses each calendar year. This \$1,000 out-of-pocket expense is made up of your Part B Medicare deductible and coinsurance. A doctor who participates in Medicare agrees to:

- File claims on your behalf
- Accept Medicare's payment for covered services

This means your copayment is limited to a percentage of the Medicare-approved charge. Go to [Medicare.gov](https://www.medicare.gov) for additional information about Medicare-participating physicians.

This brochure describes benefits based on Medicare-approved charges. Doctors who do not accept assignments may not charge you any more than 15% above what Medicare considers a reasonable fee. This applies to all doctors and all services.

Hospitals

Hospitals that participate in the Medicare program are covered. Admissions not approved by Medicare are not covered.

Dental Benefits

The plan pays up to \$1,500 per member per calendar year. It also pays 100% of the allowable charge for diagnostic and preventive services, such as oral examinations and dental x-rays. It pays 80% of the allowable charge for basic services, such as fillings, re-cementing of crowns, inlays and bridges, or repair of removable dentures. The remaining 20% is your responsibility. The plan also pays 5% for major services such as crowns, dentures, and implants.

When you need services, simply present your plan identification card to your dentist. If you go to an Anthem Dental Complete network dentist, you will be responsible only for your coinsurance. If services are provided by a non-network dentist, you pay your coinsurance, plus the difference, if any, between the plan's allowable charge for a covered service and the dentist's charge. Network dentists are listed on the Web at www.anthem.com/tlc, or call Anthem Dental Complete at **1-855-648-1411** to determine if a dentist is in the network.

****Allowable Charge (AC)** – The allowable charge is the lesser amount of the Anthem Dental Complete plan allowance for that covered service, or the provider's submitted charge for that covered service. Participating Anthem Dental Complete dentists have agreed to accept Anthem's payment, plus any required coinsurance (if applicable) as payment in full for covered benefits.

Using Your Dental Benefits

To reduce your out-of-pocket expense, choose an Anthem Dental Complete dentist. View the Provider Directory on the Web at www.anthem.com/tlc.

In-network claims will be handled by the dentist's office and you will be responsible only for any coinsurance, which applies to the covered care you receive. If you go to a non-network dentist, you may pay more of the bill.

Vision Benefits

Your routine vision benefits are through the Anthem Blue View Vision network. Available once per your calendar year, your vision benefits include a routine eye exam, eyewear and special eye accessory discounts. You may receive services from any ophthalmologist, optometrist, optician and/or retail location in the Anthem Blue View Vision network.

To locate an Anthem Blue View Vision provider, select Find A Doctor at www.anthem.com/tlc, or contact Member Services at **800-552-2682** for assistance. To receive vision services, simply present your Anthem identification card to your Blue View Vision provider when you receive your eye exam or purchase covered eyewear. Your Blue View Vision provider will verify eligibility and file your claims.

While some vision benefits are also covered out-of-network, you will receive the most value when you choose a Blue View Vision provider. If you use an out-of-network provider, your benefits will be covered at a lower payment level. You will need to pay for covered services and purchases at the time of your visit and send an out-of-network claim form to Blue View Vision. The claim form is available at anthem.com/tlc under Forms.

Certain non-routine vision care such as eye surgery may be covered under your primary medical coverage under your Medicare plan. Refer to your Medicare and You Handbook or contact Medicare for more information.
