## OPTIMA HEALTH

Optima Health, a local health plan headquartered in Virginia, is proud to serve The Local Choice (TLC) employees. The Optima Health Plan is a comprehensive benefit plan that includes dental, vision, and hearing.

The plan is a regional health maintenance organization (HMO) plan available to Commonwealth of Virginia employees. This plan is also available to TLC employees where the TLC employer has selected Optima Health as a plan option. With the open-access style HMO plan, members are not required to select a primary care provider (PCP) and they do not need referrals for specialist care. Optima Health encourages, but does not require a PCP relationship. PCPs can help members with routine medical care and provide guidance when seeking specialist care within the broad Optima Health network of over 39,000<sup>1</sup> providers. Our plan also includes preventive care covered in full, out-of-area coverage for eligible dependent children, dental and vision benefits, emergency travel assistance, Employee Assistance Program services, and more<sup>2</sup>.

**Members may receive services with any participating provider in the Optima Health Vantage (HMO) network throughout Virginia and northeastern North Carolina.** In order to enroll in the plan, members must be eligible for coverage as defined by their employer, and they must live or work in the greater Hampton Roads region, which includes:

**Chesapeake, City of Franklin, Gloucester, Hampton, Isle of Wight, James City, Mathews, Newport News, Norfolk, Poquoson, Portsmouth, Southampton, Suffolk, Surry, Virginia Beach, Williamsburg, and York.**
