On-line Employer Data Sheet is DUE: April 1, 2024, for July Renewals
July 1, 2024, for October Renewals

Instructions and Help

This form is a **worksheet only**. It is intended to help gather information prior to submitting the on-line Employer Data Sheet. **It is not mandatory that you complete this worksheet if you feel comfortable going straight to the on-line Employer Data Sheet.** Submit the on-line Employer Data Sheet by the due date to avoid a delay in group set-up. Use the contact information above if you have questions.

Step 1 – Help for Group

A group must have a separate Group ID, assigned by DHRM-TLC, for each Federal Employer Identification Number (FEIN) included in the group. Separate Group IDs with the same FEIN are also permitted. One of the Group IDs must be primary for submitting a renewal Data Sheet. Unless otherwise approved by DHRM-TLC, the Group ID with most participants is primary.

Step 2 – Help for Classifications

A selection for each Classification and its billing method is required. Some selections are mandatory, some are optional, and some are conditional.

- Full-time Employees is a mandatory classification.
- Part-time Employees is an optional classification. **(When adding coverage for this optional classification, you will be required to submit a board resolution and your rates are subject to change. Contact TLC if you need additional guidance.)**
- Elected Officials is an optional classification. If you offer coverage to Elected Officials, make your selection based on the premium cost-sharing. When the Elected Official receives the same employer (ER) contribution as a full-time employee, select Elected Officials with full-time premium. When the Elected Official receives the same employer (ER) contribution as a part-time employee, select Elected Officials with part-time premium. **(When adding coverage for this optional classification, you will be required to submit a board resolution and your rates are subject to change. Contact TLC if you need additional guidance.)**
- Long-Term Disability (LTD) Employees is not a classification offered by TLC. (This classification will always default to “No”.)
- Extended Coverage/COBRA Qualified Beneficiaries – Regular and Extended Coverage/COBRA Qualified Beneficiaries – Disability are mandatory classifications. **You must select the Direct Bill Subscriber option.** When a COBRA participant is approved for an additional 11 months due to disability, the classification changes from Regular to Disability and the premium amount increases.
- Early Retirees is an optional classification. **If offered, you are required to select a billing option.** (When adding coverage for this optional classification, you will be required to submit a board resolution. Note, they are considered part of your group for enrollment and claim purposes. Contact TLC if you need additional guidance.)
- Medicare Retirees is a conditional classification. **If offered, you are required to select a billing option.** If you choose to offer coverage to this classification, you must also offer coverage to Early Retirees. (When adding coverage for this

optional classification, you will be required to submit a board resolution. Note, they are considered part of your group for enrollment and claim purposes. Contact TLC if you need additional guidance.)

- Split Contract Dependents of Retirees is a conditional classification. If you choose to offer coverage to Medicare Retirees, you must also offer coverage to this classification. A split contract occurs when an Early Retiree with covered dependents has someone become eligible for Medicare.
- Survivors of Employees are an optional classification. If you choose to offer coverage to this classification, the survivors remain covered at the same employee premium for one extra month. When elected the survivor coverage is concurrent with the first month of Extended Coverage/COBRA.
- Retiree Survivors – not eligible for Medicare is a conditional classification. It is optional if you also offer coverage to Early Retirees.
- Retiree Survivors – eligible for Medicare is a conditional classification. It is optional if you also offer coverage to Medicare Retirees.

Optional Billing Methods are available for some Classifications:

- Group Bill means you receive a bill for this classification.
- Direct Bill Subscriber means subscribers in this classification receive a bill and pay the insurance company rather than pay you. Automatic drafts are available to the subscriber from the insurance company.
- Third-Party Administrator (TPA) means you will receive a bill for this classification.

Step 3 – Help for Election Rules

- Initial Enrollment as an Employee Election Request: Make your selection based on your group's new hire eligibility rules. To be compliant with the Affordable Care Act (ACA), a group cannot have more than a 60-day waiting period.
- Qualifying Mid-Year Event (QME) Election Change Request: Make your selection based on your group's pre-tax (section 125) plan document for qualifying mid-year event changes. If you do not have a pre-tax document, Rule 1 applies.
- If your election rules do not follow any of the choices offered, please contact TLC for guidance.

Step 4 – Help for Participation

The Total Group Participation Count determines how many plan choices are permitted.

- Groups with 14 or less eligible employees may offer one plan.
- Groups with 15-99 eligible employees may offer up to two plans.
- Groups with 100 or more eligible employees may offer up to four plans.

The Total Group Participation Percentage determines the minimum employer contribution for each plan selected.

- When the participation percentage is 75% or greater, the minimum employer contribution is 80% of the Self Only premium. (May be different for High Deductible plan. See Step 6.)
- When the participation percentage is less than 75%, the minimum employer contribution is 80% of Self Only plus 20% of the dependent cost for the dependent tiers.

Step 5 – Help for Plans

Plan choices are available based on Classifications and Total Group Participation Counts. Select a plan or select “None” for each plan choice. The Regional HMO Plans are limited based on your group’s eligibility, but you still have to select “None” if it is not offered.

- ✓ Groups with 14 or less eligible employees may select one plan: A Key Advantage plan, a High Deductible plan, or a Regional HMO plan.
- ✓ Groups with 15-99 eligible employees may choose up to two plans: Two Key Advantage plans, a Key Advantage plan and a High Deductible plan, a Key Advantage plan and a Regional HMO plan, or a High Deductible plan and a Regional HMO plan.
- ✓ Groups with 100 or more eligible employees may choose up to four plans: Two Key Advantage plans, a High Deductible Plan, and a Regional HMO Plan.
- ✓ Groups who offer coverage to Medicare Retirees must choose one Medicare supplement plan. Option 1 is a grandfathered Medicare supplement plan – only available to groups who wish to continue the selection.

Step 6 – Help for Premiums

The Total Group Participation Percentage determines the minimum employer contribution required. Employers must contribute a minimum of 80% of the cost of Self Only coverage plus 20% of the cost of dependent coverage. When the participation percentage is 75% or greater, the employer is not required to contribute to the cost of dependent coverage.

The minimum employer contribution required for part-time employees is 50% of the employer contribution for full-time employees.

For Key Advantage, High Deductible and the Regional HMO plans, if the employer contribution is more than the minimum, that contribution then becomes the minimum for the dependent tiers.

If the High Deductible Plan is offered, the minimum employer contribution is 80% of the cost of Self Only coverage plus 20% of the cost of dependent coverage. If the participation percentage is 75% or greater and the employer funds a HSA/HRA, the 20% dependent contribution requirement is waived.

Premium Averaging is an option to employers offering multiple plans (excluding the High Deductible Plan). Employers may choose to determine one minimum premium contribution requirement for all plans except the High Deductible plan. Premium averaging will be determined by using the average Self Only Comprehensive dental premium for all included plans. **Once the average premium has been determined, the minimum employer contribution is applied to all applicable plans.**

Groups selecting plans with both comprehensive and preventive dental options must offer both options and enter employer (ER) contributions for each option.

Step 7 – Help for ACA Reporting

DHRM will file Affordable Care Act (ACA) employer reports on behalf of groups that:

1. Participate with TLC for the full calendar year;

2. Sign an ACA Designated Government Entity Reporting Agreement, and
3. Submit an annual ACA Employer Reporting Certification.

The ACA employer reports are filed by FEIN. Group IDs using the same employer FEIN must be combined and submitted to the IRS together.

This section is pre-populated based on the status of your group's most recent ACA filing. We will update this section each year based on your annual reporting status.

Step 8 – Open Enrollment

TLC requires an Open Enrollment period. The Open Enrollment dates are designated by DHRM.

- ✓ July renewals must hold Open Enrollment between May 2 and May 16.
- ✓ October renewals must hold Open Enrollment between August 1 and August 15.

Remember, all Open Enrollment forms must be signed and dated during your Open Enrollment Period, or they will not be processed.

Step 9 – Contact Information

A mailing address, a shipping address, and contacts are required for each Group ID. Updates can be requested at any time by sending a Group Data Change form to DHRM-TLC. Contacts receive communications from DHRM-TLC and are granted access to on-line TLC applications and group reports posted to Cardinal HCM. You are encouraged to have at least two, but may have up to four, different contacts in the event one is not available.

Step 10 – Certification

Please review carefully. Please be sure all sections on the form are complete. Please return the completed datasheet to your Anthem Account Manager by the required deadline to ensure timely processing.
