¹A stay is the period from the admission to the date of discharge from a Facility. If there is less than a 90 day break between two admissions, the days allowable for the subsequent admission are reduced by the days used in the first. If there are more than 90 days between the two admissions, the days available for the subsequent admission start over for a full 180 days.

Standard progressive (in addition to bifocal copayment)	You pay \$65	Not available
Standard anti-reflective	You pay \$45	Not available
Other add-ons (i.e. high index lenses, anti-fog coating)	You pay 20% off retail	Not available

^{*}You may select a frame greater than the covered allowance and receive a 20% discount for any additional cost over the allowance.

¹Declining Balance. Your plan has a declining balance allowance. This means if you do not use your allowance all at once, the remainder will be available for you to use at a later time. However, any remaining balance will not carry over to the next benefit year. All services or supplies using the declining balance for a benefit period must be received In-Network based on where the first paid claim is incurred..

² Elective contact lenses are typically elected in lieu of eyeglass lenses. Non-Elective contact lenses are medically necessary contacts when glasses are not an option for vision.
